## Dedicated Programmes for Ethnic Minority Youths – Youth Career and Life Plan

### Career Exploration Workshop : Explore Cathay Pacific City

From February to March 2024, HOME Centre (YTM) hosted the Cathay Pacific Career Workshop. During the first session, we invited Cathay Pacific staff to HOME Centre to conduct a Career Talk for our ethnic minority participants. The talk aimed to provide resources and support to help ethnic minority individuals succeed in their careers. This included sharing information about Cathay Pacific's job duties, career advancement opportunities, and the job requirements at Cathay Pacific. Additionally, participants had the opportunity to explore Cathay Pacific City in Tung Chung, allowing them to gain a deeper understanding of the company.

The atmosphere of the career workshop for youths was supportive, empowering, and educational. The organisers created an environment where the youths felt comfortable discussing their inspiring career goals and challenges without the fear of judgment. Open dialogue was encouraged, and a safe space was provided for participants to ask questions and seek guidance.

2024年2月至3月期間，HOME中心（油蔴地）舉辦了國泰航空職業工作坊。在第一節活動中，我們邀請國泰航空員工來中心為少數族裔參與者進行職業講座。講座提供資源和支援，旨在幫助少數族裔人士能事業有成，亦分享有關國泰航空的工作職責、職業晉升機會以及工作要求。我們又參觀了位於東涌的國泰城，深入了解國泰航空。

青年職業工作坊的氛圍具鼓勵性、自主性、及教育性。我們與國泰航空營造了合適的環境，讓年輕人可以輕鬆地討論他們的職業目標和挑戰，而不必擔心受到批判。我們也鼓勵開放式對話，使參加者在安全的空間提問和尋求指導。

Reflection sessions are conducted after each volunteer service to encourage introspection. The training sessions encompass communication skills and comprehensive abilities. One of our programmes specifically focuses on cleaning worker services, providing insights into working conditions, rights, and symptoms of heatstroke. During Chinese New Year, volunteers prepared blessing gift bags for cleaning workers, fostering gratitude and allowing participants to extend New Year greetings in Cantonese.

## GOVERNMENT CORNER

## Adventure-based Training Day Camp

The Harmony Scholarships Scheme is an award that recognises students for their participation in activities promoting racial harmony in schools and community; their academic results and conduct. Schools with a relatively high proportion of non-Chinese speaking students are eligible to nominate students to participate in this scheme, regardless of their ethnicities. In 2022/23 school year, a total of 399 scholarships were awarded to students from 98 schools, including 171 students from 51 primary schools and 228 students from 47 secondary schools.

To further empower these exceptional students, the Home Affairs Department (HAD) organised an adventure-based training day camp for the 2022/23 Harmony Scholarships awardees. This was a memorable event, bringing together a diverse group of 80 young students for a day filled with fun, growth, and friendship.

For the primary school awardees they engaged in various activities designed to facilitate self-breakthrough and foster personal growth. One of the highlights was a thrilling high element rope course that challenged their individual limits. "I was very scared when I started climbing the tower. But when I reached the top, I felt very happy and successful!" shared Hafsatu, one of the scholarship awardees. Participants also engaged in indoor team tasks and activities in which they discovered their personal strengths.

As for the secondary school participants they completed different team building exercises that helped them build connections and a sense of belonging among different races. From trust-building exercises to problem-solving challenges, the participants learned to work together towards a common goal. One of the participants, Sabina, said "The team tasks in the day camp helped me learn more about the importance of teamwork and division of labour."

Through the Harmony Scholarships Scheme and the enthralling day camp, students from diverse backgrounds have embraced the values of racial harmony, personal growth, and friendship. The day camp provided a platform for recipients from different schools to collaborate and overcome obstacles through diverse activities and interactions. It also provided a unique opportunity for participants to share their experiences in promoting racial harmony within their schools. By nurturing a culture of inclusivity and understanding, we pave the way for a harmonious and vibrant society for future generations. The HAD will continue to promote racial harmony through a wide range of integration services.
